In the Matter of: Oregon County

On Behalf of: St. Louis-Kansas City Carpenters Regional Council
(f/k/a Carpenters' District Council of Greater St. Louis and Vicinity),
Objector.

MOTION TO AMEND OBJECTION

COMES NOW Objector, by and through undersigned counsel, and files this Objection to Annual Wage Order No. 24, and states as follows:

1. The Contractor Survey Report which was relied upon to establish the rate in proposed Annual Wage Order No. 24 for the "Carpenter" (Heavy & Highway) Occupational Title in Oregon County was submitted to the Division by Objector. That Report identified forty (40) hours worked at \$30.69 per hour, plus fringes. That hourly rate is incorrect as well as Fringe Benefits of \$16.20.

2. Attached is the corrected Contractor Survey Report for Oregon County, which accurately identifies forty (40) hours of work at the corrected rate of \$29.71 per hour in wages, plus fringes of \$16.10.

WHEREFORE, Objector respectfully requests that the Labor and Industrial Relations Commission consider favorably the Objection of Objector and revise the basic hourly wage rate in Oregon County for the "Carpenter" (Heavy & Highway) Occupational Title, as described herein, to reflect the prevailing practices throughout the geographic jurisdiction in question, and for such other changes as are deemed appropriate.

Respectfully submitted
